**\*\*\* We are in need of Table Sponsorships (\$100.00 minimum) \*\*\***

We had a lot of gracious people that did Table Sponsorships for our 40th, **which was very much appreciated**. The Table Sponsorships, along with the cost per person, not only helps pay for the event (venue, food, DJ, etc...), but also gives us a good foundation 'start up' for our next Reunion (50th in 2024)!!!

We have a balance in the checking account of \$5,178.00. Cost of the venue alone is \$3,843.51 (less the \$500.00 deposit). **Leaving us a balance of \$1,834.49**. We still need to pay the DJ (looking into a few, but trying to keep the price down) & the food for the evening. As you can see, doesn't leave us a lot to 'play' with.

So, any of you that can & are able to do a Table Sponsorship, it would be greatly appreciated.

LOOKING FORWARD TO SEEING EVERYONE.....
